7) The purpose for which the Forest Dept is disforesting an extent of 0-5 guntas of land is for

non-agriculture (shop building) purpose. The proposal of the Forest Dept appears to be not fair as it has suggested directly for alienation of this piece to the private party for construction of a shop. The question of conversion with necessary conversion fine & assessment must be taken up by the Rev. Dept. Therefore, the Forest Dept may simply disforest this area in favour of party who may later on, apply for its conversion for non agriculture purpose.
